Good morning Mr. Zemsky,

I hope this note finds you well.

Today, we are kicking off production of the 4th Annual Anchin Construction and Development Forum, to be held February 15, 2018 in New York City.

In my research, the desire to hear from Empire State Development Corp. has been a consistent theme. I know that our attendees would love to hear from you. We would be delighted if you would consider joining us as a featured speaker on a panel about infrastructure and NYC at this annual event that brings together over 400 developers and construction executives. (You can see last year's line up [here](#).)

We have hosted the following speakers over the years for our events:

- \*Larry Silverstein, Chairman, Silverstein Properties
- \*Douglas Durst, Chairman, Durst Organization
- \*Gary Barnett, President, Extell Development
- \*Scott Rechler, Chairman, RXR Realty LLC
- \*MaryAnne Gilmartin, Executive Vice President, Forest City Ratner
- \*Dennis Friedrich, CEO, Brookfield Office Properties

Would you be available for a call this week or next to discuss the conference and your participation, perhaps later today at 3pm or Monday morning at 10am? If neither time works please suggest a day/time that is convenient.

I really look forward to speaking with you.

Best,

Randi
